

New Spanish Books is an online guide of titles from Spanish publishers and literary agents with rights for translation in the US. New Spanish Books is a joint project of the Spanish Association of Publishers Guilds (FGEE), The Ministry of Education, Culture and Sport and ICEX, Spain, Exports, Investments, with the assistance of the Trade Commission of the Embassy of Spain in Miami.

Enter your email address here 

In the New Spanish Books Website you'll find a guide to current Spanish titles with rights available for translation in the US, complete with reviews of titles selected by a panel of experts from the US and up to date information about the Spanish publishing scene, translation grants, Spanish literary prizes, recent translations, news and events in the US and more.

Read more here (<http://www.newspanishbooks.us>).
